You're Nobody, Until Somebody Loves You

You're nobody 'til somebody loves you,
you're nobody 'til somebody cares
You may be king, you may possess, the world and all it's gold
But, gold won't bring you happiness, when you're growing old

The world is still the same, you'll never change it
As long as the stars shine above
You're nobody 'til somebody loves you,
So find yourself somebody to love

It's Been A Long, Long Time

Kiss me once, then kiss me twice, then kiss me once again,
It's been a long, long time!
Haven't felt like this my dear, since can't remember when,
It's been a long, long time!

You'll never know how many dreams I dreamed about you,
Or just how empty they all seemed without you

So, kiss me once, then kiss me twice, then kiss me once again,
It's been a long, long time!

Sentimental Journey

Gonna take a sentimental journey, Gonna set my heart at ease
Gonna make a sentimental journey, To renew old memories
Got my bag, got my reservation, Spent each dime I could afford
Like a child in wild anticipation, Long to hear that "All aboard"

Seven, that's the time we leave, at seven
I'll be waitin' up for heaven
Countin' every mile of railroad track, That takes me back

Never thought my heart could be so yearny, Why did I decide to roam?
Gotta take that sentimental journey, Sentimental journey home

Heart Of My Heart

Heart of my heart I love that melody,
Heart of my heart, brings back that memory
When we were kids on the corner of the street
We were rough and ready guys, but oh how we could harmonize

Heart of my heart, our friends were dearer then,
Too bad we had to part
I know a tear would glisten, if once more I could listen
To that gang that sang, heart of my heart

Side By Side

Oh, we ain't got a barrel of money, Maybe we're ragged and funny
But we'll travel along, singin' a song, Side by side

Don't know what's comin' tomorrow, Maybe it's trouble and sorrow
But we'll travel the road, sharin' our load, Side by side

Through all kinds of weather, What if the sky should fall
As long as we're together, it doesn't matter at all

When they've had their troubles and parted,
We'll be the same as we started
Just travelin' along, singin' our song, Side by side

Bye, Bye Blackbird

Pack up all my cares and woes,
Here I go singing low, Bye, bye blackbird
Where somebody waits for me,
Sugar's sweet so is she, Bye, bye blackbird

No one here can love or understand me,
Oh, what hard luck stories they all hand me

Make my bed and light the light, I'll be home late tonight,
Blackbird bye, bye

By The Light Of the Silvery Moon

By the light of the silvery moon, I want to spoon
To my honey I'll croon love's tune
Honey moon, keep a shinin' in June
Your silvery beams, will bring love's dreams
We'll be cuddling soon, by the silvery moon

Shanty In Old Shanty Town

It's only a shanty in old shanty town,
The roof is so slanty, it touches the ground
But my tumbled down shack, by the old railroad track
Like a millionaire's mansion, it's calling me back

I'd give up a palace, if I were a king,
It's more than a palace, it's my everything
There's a queen waiting there, with a silvery crown,
In a shanty in old shanty town

I Want A Girl

I want a girl, just like the girl, that married dear old dad
She was a pearl and the only girl that daddy ever had
A good old-fashioned girl with heart so true
One who loves nobody else but you
I want a girl just like the girl that married dear old dad

Anytime

Anytime, that you are lonely;
Anytime, you're feeling blue
Anytime, you feel downhearted;
Just Think about, my love so true

Anytime, you're thinking of me;
That's the time, I'll be thinking of you
So, anytime you think that you might want me back again
That's the time, I'll come right back to you

It's a Sin To Tell A Lie

Be sure it's true, when you say, "I love you";
It's a sin to tell a lie
Millions of hearts have been broken,
Just because these words were spoken

I love you, yes I do, I love you;
If you break my heart, I'll die
So' be sure it's true, when you say "I love you";
It's a sin to tell a lie

I'll Be With You In Apple Blossom Time

I'll be with you in Apple Blossom time,
I'll be with you, to change your name to mine
One day in May, I'll come and say,
Happy the bride that the sun shines on today

What a wonderful wedding there will be,
What a wonderful day, for you and me
Church bells will chime, you will be mine,
In Apple Blossom Time

Carolina In The Morning

Nothing could be finer than to be in Carolina in the morning
No one could be sweeter than my sweetie
When I meet her In the morning
Where the morning glories, twine around the door
Whispering pretty stories, I long to hear once more

Strolling with my girlie where the dew is pearly early, In the morning
Butterflies all flutter up and kiss each little buttercup at dawning
If I had Aladdin's lamp for only a day,
I'd make a wish and here's what I'd say
Nothing could be finer than to be in Carolina In the morning!

I'm A Yankee Doodle Dandy

I'm a Yankee Doodle Dandy,
Yankee Doodle, do or die
A real live nephew of my uncle Sam,
Born on the Fourth of July
I've got a Yankee Doodle sweetheart,
She's my Yankee Doodle joy
Yankee Doodle came to London, Just to ride the ponies
I am a Yankee Doodle boy

Anchors Aweigh

Anchors Aweigh, my boys, Anchors Aweigh.
Farewell to college joy, we sail at break of day-ay-ay
Through our last night on shore, Drink to the foam,
Until we meet once more:
Here's wishing you a happy voyage home.

Caissons Go Rolling Along

Over hill, over dale, As we hit the dusty trail,
And those caissons go rolling along.
In & Out, Hear them shout,
Counter march! Right about!"
While those caissons go rolling along.
For it's "Hi! Ho! Hee!" in the Field Artillery,
Shout out your numbers loud and strong.
For where e'er we go, you will always know
When those caissons go rolling along.
Yes, those caissons go rolling along

Song Of The Air Force

Off we go into the wild blue yonder,
Climbing high into the sun;
Here they come, zooming to meet our thunder,
At 'em boys, Give 'er the gun! (Give 'er the gun!)
Down we dive, spouting our flame from under,
Off with one hellava roar! (Zeroing in, staying the course)
We live in fame or go down in flame. Hey!
Nothing'll stop the U.S. Air Force!

Coast Guard Song

We're always ready for the call,
We place our trust in Thee
Through surf and storm and howling gale,
High shall our purpose be
"Semper Paratus" is our guide, our fame, our glory too
We fight to save, or fight to die!
Aye! Coast Guard we are for you

Marines Corps Hymn

From the Halls of Montezuma,
To the Shores of Tripoli;
We will fight our country's battles,
In the air, on land and sea;
First to fight for right and freedom,
And to keep our honor clean;
We are proud to claim the title of United States Marine.

You're A Grand Old Flag

You're a grand old flag, You're a high flying flag
And forever in peace may you wave.
You're the emblem of, the land I love.
The home of the free and the brave.

Every heart beats true for the Red, White and Blue,
Where there's never a boast or brag.
Should auld acquaintance be forgot,
Keep your eye on the grand old flag

Have You Ever Been Lonely?

Have you ever been lonely? Have you ever been blue?
Have you ever loved someone, Just as I love you?
Can't cha see I'm sorry, For each mistake I've made?
Can't cha see I've changed, dear? Can't cha see I've paid?

Be a little forgiving, Take me back in your heart
How can I go on living, Now that we're apart?
If you knew what I've been through,
Then You'll know why I ask you
Have you ever been lonely? Have you ever been blue?

Show Me The Way To Go Home

Show me the way to go home, I'm tired and wanna go to bed,
I had a little drink about an hour ago,
And it went right to my head.
Wherever I may roam, on land or sea or foam,
You can always hear me singin' this song,
Show me the way to go home

Moonlight Bay

We were strolling along, on Moonlight Bay
You could hear the voices ringing, They seemed to say
You have stolen my heart, Now don't go 'way
As we sang love's old sweet song on Moonlight Bay

Lazy River

Up a lazy river, by the old mill run,
That lazy, lazy river, in the noonday sun
Linger a while, in the shade of tree,
Throw away your troubles, dream with me

Up a lazy river, where the Robin's song,
Awakes the bright new morning, we can loaf along
Blue skies up above, everyone's in love, up a lazy river
How happy you can be, up a lazy river with me

Red, Red Robin

When the red, red Robin, goes bob, bob, bobbin' along, along
There'll be no more sobbin', When he starts singin' his old sweet song
Wake up, wake up you sleepy head; get up, get up, get out of bed
Cheer up, cheer up, the sun is red; live, love, laugh and be happy

What if I've been blue, now I'm walking through fields of flowers
Snow may glisten, but still I listen for hours, and hours
I'm just a kid again, doing what I did again, singing a song
When the red, red Robin, goes bob, bob, bobbin' along

God Bless America

God bless America, land that I love
Stand beside her and guide her
Through the night with the light from above
From the mountains, To the prairies,
To the oceans, white with foam
God bless America, My home sweet home
God bless America, My home sweet home

Too-ra-loo-ra-loo-ral

Over In Kilarney, many years ago
My mother sang a song to me, in tone so soft and low
Just a simple little ditty, in her good old Irish way
I'd give the world if I could hear
that, song of hers today

Too-ra-loo-ra-loo-ral, Too-ra-loo-ra-li,
Too-ra-loo-ra-loo-ral, hush now don't you cry
Too-ra-loo-ra-loo-ral, Too-ra-loo-ra-li,
Too-ra-loo-ra-loo-ral, That's an Irish lullaby

My Wild Irish Rose

My Wild Irish Rose, the sweetest flower that grows
You may search everywhere, but none can compare,
With my Wild Irish Rose

My Wild Irish Rose, the sweetest flower that grows
Someday for my sake, she will let me take,
The bloom from my Wild Irish Rose

When Irish Eyes Are Smiling

When Irish eyes are smiling,
Sure it's like a morn in spring
In the lilt of Irish laughter,
You can hear the Angels sing

When Irish hearts are happy,
All the world seems bright and gay
And, when Irish eyes are smiling,
Sure, they steal your heart away

All of Me

All of me, why not take all of me;
Can't you see, I'm no good without you
Take my lips, I want to lose them;
Take my arms, I'll never use them

Your goodbye, left me with eyes that cry;
How can I, go on dear without you
You took the part that once was my heart;
So why not take all of me

Blue Skies

Blue skies, smiling at me,
nothing but blue skies, do I see
Blue birds, singing a song;
nothing but blue birds, all day long

Never saw things going so right;
never saw the sun, shining so bright
Noticing the day, hurrying by,
when you're in love, my, how they fly

Blue days, all of them gone,
nothing but blue skies from now on

Ain't Misbehaving

No one to talk with all by myself,
No one to walk with, but I'm happy on the shelf
Ain't misbehaving, I'm saving my love for you

I know for certain the one I love,
I'm thorough with flirting, it's just you I'm thinking of
Ain't misbehaving I'm saving my love for you

Like Jack Horner, in the corner,
Don't go nowhere, What do I care,
Your kisses are worth waiting for believe me

I don't stay out late, don't care to go,
I'm home about eight, just me and my radio
Ain't misbehaving I'm saving my love for you
